InsTech Welcome, Housekeeping and Introductions

A word from sponsors: James Henderson, Managing Director, DAS; and Jonathan Patterson, Managing Director and Head of Development, DWF Ventures

Introduction to the ecosystem by Jimmy Vestbirk, Legal Geek

	Orbital Witness	Edmond Boule Co-Founder	Orbital Witness delivers data-driven identification of legal risk in property transactions and provides a new perspective for legal due diligence in real estate by offering historic site analysis with archives of high-res satellite imagery, simplified access and interpretation of key data sources, and automated reporting.	@orbitalwitness www.orbitalwitness.com
	Thirdfort	Jack Bidgood Olly Thornton-Berry	Thirdfort are using digital escrow and ID technology to streamline the property buying process and protect it from fraud. They are truly at the intersection of LawTech, FinTech and PropTech.	@Thirdfort www.thirdfort.com
LEVERTON	Leverton.ai	James Boreham Sales Manager	LEVERTON provides deep insights from unstructured data found in corporate and legal documents in over 30 languages. Trusted by over 100 leading companies to create value through structured data with its AI-powered, deep learning, data extraction platform. Better Data. Smarter Decisions.	@leverton www.leverton.ai
	CourtQuant	Ludwig Bull Legal AI	CourtQuant is a Legal AI startup specialising in legal decision predictions. Our systems are based on state of the art AI and can predict the outcomes of litigation with accuracy reaching 90%, even in the most complex legal areas. We also help companies choose the best lawyer and the Court for the success of the case.	www.linkedin.com/com pany/courtquant/ www.courtquant.com
	Signaturit	Juan Zamora CEO	Signaturit is a trust service provider that offers innovative solutions in the field of electronic signatures (eSignatures), certified registered delivery (eDelivery) and electronic identification (eID). All of them are in accordance with Regulation (EU) No. 910/2014 (eIDAS), as well as with the US laws E-SIGN and UETA Acts.	@signaturit www.signaturit.com
	Shepherd	Will Brocklebank CEO	Shepherd provides risk analytics for property management and insurance. Using Shepherd's platform, insurers gain a deeper understanding of risk, allowing them to tailor policies to client needs and to offer new products and services around distressed or previously unattractive risks.	@shepherdnet www.shepherd.fm
	Paycasso	Russell King CEO	Paycasso has a leading role in the 'e-Identity' and 'e-Authenticity' industry, delivering cutting edge global consumer identification solutions that mitigate the risks associated with money laundering and impersonation fraud, supporting a primary control function requirement, regulatory compliance.	@Paycasso www.paycasso.com
	Eigen Technologies	Dr Lewis Z. Liu CEO	Eigen Technologies help individuals and organizations make the right decisions by unlocking the value of their qualitative data. Our simple, flexible NLP technology accurately extracts information from diverse types of documents at scale and can be integrated into our clients' workflows. We use state-of-the-art ML algorithms to recognize patterns in text and give accurate answers to unique questions.	@Eigen_Tech www.eigentech.com
