

Introduction					
	Ninety Consulting	Dan White	Ninety take new insurance ideas to market in 60 days. They use insurtech startup technology to unlock incumbent insurers' innovation ambitions. They build corporate entrepreneurship programmes, insurance innovation labs & digital innovation operating models. Clients include Zurich, Allianz, RSA, Guidewire and Direct Line.	@ninetydigital	www.ninety.co.uk
	Parhelion	Julian Richardson	Parhelion is an energy and climate risk finance company specialising in non-traditional risk issues impacting investment in clean energy and climate finance markets.	@Juleshr	www.parhelion.co.uk
	Zego	Harry Franks	Zego creates and distributes micro insurance policies to support workers in the growing gig economy. Zego empowers workers to have the right levels of protection so they can choose how and when they work.	@HarryFranksZego @Zegocover	www.zego.com
	Shepherd	Will Brocklebank	Shepherd provides instantly actionable maintenance data to clients, maintenance services companies and insurers for better risk management. The anomaly detection and predictive maintenance analytics reduce risks and allow us to weaponise maintenance service providers with insurance capital.	@shepherdnet @willbank	www.shepherd.fm
	Forest Car	Charlie Palmer	ForestCar offer car owners free airport parking in exchange for renting out their vehicles while they are away. They invest a share of their income to plant trees, and their mission is to eliminate the need for dedicated rental cars and help restore global rainforests.	HelloForestCar">@HelloForestCar	www.forestcar.co.uk
Break					
	Nexus Mutual	Hugh Karp	Nexus Mutual is a decentralised risk carrier built on blockchain technology. It provides protection against hacks of smart contract code on the Ethereum public blockchain.	@NexusMutual @HughKarp	www.nexusmutual.io
	BMS - Trade Mark Connect	Simon Meech	Trade Mark Protect is a partnership with Intellectual Property Australia (IPA) and offers instant quotes based on the trademark number and a small number of questions for two unique products; legal cover protecting against attempts to oppose or invalidate a registered trade mark and a world-first product that provides legal costs against the opposition of a trade mark application.	@bmsgroup	www.bmsgroup.com
	Oil Spill Insurance	Judy Hadden	Specialise in developing and marketing/selling online environmental damage insurance schemes and complementary specialist services for oil tank users; currently operate under two product brands: HomeSpill - B2C and WorkSpill - B2B.	@Oil_insurance @JudyHad	www.oilspillinsurance.co.uk
	Pivigo	Samuel Ellis	Pivigo supports organisations to innovate with data, by giving them access to a global community of over 4000 freelancing data scientists. They offer a flexible pool of highly skilled talent to access 'on demand' and scale customers resources up and down as required. They also run Europe's largest data science training programme S2DS.	@Pivigo	www.pivigo.com/data_for_business.html
